Chris,

I really appreciate this positive feedback. Your help has been critical in getting the annuals organized for all the home owners' individual needs. Thank you for that.

Best,

Kristin

Lawrence & Kristin --

Just wanted to tell you how great the neighborhood looks & what a fantastic job Kenny & his crew did! Kenny was a pleasure to work with & Kristin....thank you for all of your hard work, too & helping out with our "special needs & requests"!

We've already received several kudos from some of our neighbors complimenting everyone at Crawford for a job well done!

Thanks so much for all of your hard work & professionalism!
